

CAROL A. SIEMON
INGHAM COUNTY PROSECUTING ATTORNEY

MICHAEL S. CHELTENHAM
Chief Assistant Prosecutor

JOHN J. DEWANE
Deputy Chief Assistant Prosecutor

Dear Parents:

December 6, 2021

Few events hit home for students and families like a school shooting. They are terrifying and tragic. When students learn of these events on television or on social media, it is natural for them to worry about their own school and their own safety. Unfortunately, some students see these tragedies as an opportunity to gain notoriety and make threats against their schools, teachers, and classmates.

We are all aware of the notable rise across the nation, in our state, and in Ingham County of threats made to our schools and the students, teachers, and other professionals working to educate our children. Although many of the students that have created these situations claim they were just joking or did not think it was a big deal – **it is a big deal**. That is why the sheriff, local law enforcement chiefs, school superintendents, and I are reaching out to you. These threats are not viewed as a joke and these acts will be addressed by the school, law enforcement, and the prosecutor's office.

These types of threats could lead to criminal charges including: Threat of Terrorism, False Threat of Terrorism, Intentional threat to commit an act of violence against a school, and Use of a Computer to Commit a Crime, and firearms possession/school zone cases. The most serious of these crimes carries a potential maximum of 20 years in prison.

While the punishments dictated by the school and criminal justice system are significant, students may also face additional consequences, including:

- Loss of scholarships and federal aid
- Denied college admission
- Being required to disclose pending cases or criminal convictions on job applications
- Denied entry into the military

We urge you to talk to your children about the appropriate use of social media, and the lasting consequences of making threats against our schools. Please stress that there is nothing humorous about threatening to shoot up a school, and there is no such thing as a joke involving the threat of mass murder.

All threats will continue to be taken seriously and may be prosecuted under Michigan law.

By working together, we can provide our children the safe schools they deserve.

Respectfully,

Carol A. Siemon
