Williamston Middle School

November 13, 2020

Our attendance and academic performance is going well thanks to the collective efforts at home and school. It is great to see students attending the synchronous sessions in the afternoons and I especially appreciate when their cameras are on during this time. Please remember that attendance is required during all afternoon sessions.

If your child is absent during the afternoon sessions, then please call the Attendance Line at 517-655-4668 (press #1) or electronically submit an absence online at <https://www.gowcs.net/domain/164>. It is important to report an absence with the main office. In addition, it is recommended that students email their teachers to see what they missed during the synchronous time in the afternoon.

Hybrid and Online Learning Update and Schedule for November 9- January 22

Earlier this month, WCS Board of Education voted to offer hybrid and online instruction to students. Please see the communication I sent on October 22 [WMS Hybrid Communication - Mailed on October 22, 2020](#) to learn more about WMS' preparation for the hybrid plan. Also, included is the [WMS schedule for November 9 - January 22](#), which will be used during our remote learning plan as well as during our hybrid plan. When reviewing the schedule, please understand that students will continue to participate in asynchronous and synchronous sessions with alternating days between 1st-3rd hours and 4th-6th hours. The daily schedule of class times, support sessions, and teacher/student office hours will remain the same during our current remote learning time.

As details related to the hybrid start date, A and B assigned groups, and safety procedures are available, they will be communicated to families.

Student of the Month - October, 2020

In an effort to recognize and honor the great things that Williamston Middle School students are doing on a regular basis, WMS has a Hornet of the Month program. Adults at the Middle School are asked to nominate students each month, and by doing so, they are

identifying those who are either consistently meeting or exceeding our school-wide expectations of being respectful, responsible, safe, and engaged. Many of these students display leadership qualities and serve as role models for their peers. *All* of these students contribute to a positive culture at Williamston Middle School, and we recognize and celebrate them for that. Teacher & Student Support Session Sign Up (OPTIONAL)

Starting at 6:00 AM on Monday, students can sign up for 15 minutes of academic help on Tuesday or Thursday mornings with any of their teachers. Please use this link to schedule: <https://myconferencetime.com/williamstonms>

Counseling Office News from Mrs. McKinney and Mrs. Michalski

We are here to support your student's academic and mental health needs. During remote learning, we have created a google classroom called "WMS Counseling Office with Mrs. McKinney & Mrs. Michalski" to provide students and families with resources in a variety of topics. We highly encourage all students to join the google classroom if they have not done so already. New material will be uploaded weekly.

Check out what's new in the WMS Counseling Office Google Classroom:

Practice Guidelines

- Please do not arrive at the middle school any earlier than 5 minutes before your practice time. Please drop your child off at the back entrance and please wait for them in your cars to pick them up. The coach will dismiss your child and they will exit the building. No locker rooms will be available, so please come dressed with a change of tennis shoes.
- Bring enough water for the duration of the practice. A personal water bottle or jug is recommended and sharing is not permitted.
- Masks will be required to be worn at all times. The mask must cover nose to chin.

Please answer the COVID health questions prior to practice or game arrival and verify your temperature is 100.3 F or under.

In the past 24 hours have you experienced any of the following?

- Fever
- Cough
- Sore throat
- Shortness of Breath
- Close Contact or Cared for someone with COVID-19
- Temperature above 100.3 F
- * Please do not send children if the answer is yes to any of these questions. Consult with your health care provider.
