

Car Loop Reminders

Student safety is our top priority during the busy student drop-off and pick-up times. Because many families are utilizing the car loop, we are sharing a reminder of the car loop procedures. **Let's work together to keep the focus on safety while doing our best to keep the car line moving along as efficiently as possible.**

You Can Count on Us To:

- ❖ Staff the car loop with qualified school personnel during designated times
- ❖ Assist students with getting safely out of and into cars
- ❖ Keep the car line moving by refraining from visiting with families or others during these busy times

We Will Count on You To:

- ❖ Pull forward to allow room for as many cars as possible
- ❖ Remain in your car and allow our staff to assist your child into or out of the vehicle from the sidewalk
- ❖ Lovingly remind your child that when arriving in the drop-off/pick-up zone it is important to move safely and quickly
- ❖ Place your identification sign in the front passenger window for end-of-day pick-ups

Dismissal Car Loop Identification Signs Request Form

- ❖ Please scan the QR code to complete this form electronically.
OR
- ❖ Fill out this form and return to the office if you will be utilizing the Car Loop for student dismissal from school.

Parent First and Last Names(s)

_____ Number of Car Signs - if you have kept signs from last year and do not need additional signs, please fill in zero for number of signs.

Child's Name

- 1) _____
- 2) _____
- 3) _____
