*Section 105c(18) of the State School Aid Act requires an agreement between the enrolling district and resident district related to the payment of added costs for the provision of special education programs and services as a condition of the student's enrollment. If the parties are unable to reach an agreement, Williamston Community Schools is prohibited from enrolling the student.

Please Note: If your application for enrollment is accepted and the student is eligible for special education programs and services under the requirements of Section 105c(18) of the State School Aid Act of 1997, actual enrollment cannot occur until this district reaches a written agreement with the district in which you reside. This agreement is for the purpose of providing a free appropriate public education to the student and must include an agreement between both districts related to responsibility for the payment of the added costs of special education programs and services for the student.
